

Campus Living Villages - Rules of the Village

Subject to the terms of the Residential Agreement and any applicable legislative provisions, the Rules of the Village ("the Rules") are as follows:

For the purpose of this document the term 'Village' refers to all residences at a Campus Living Villages site.

Should some or any of these Rules become invalid or deemed contrary to any applicable residential tenancy legislation or any other legislative provisions then, to the extent of that invalidity the offending rule is deemed to be severed from the Rules and all other Rules remain in effect.

1. Introduction

The Rules are a supplement to the Residential Agreement which all residents sign when they take up residence in the Village. The Rules provide guidance and information about the standards and procedures which residents of the Village are expected to meet and comply with during their residence in the Village. Throughout the year updates of the Rules and information about residency in the Village will be distributed to residents by emails and flyers.

Any failure by residents to comply with these Rules (as updated or amended from time to time as notified by Village management) will constitute a failure to comply with the provisions of the Residential Agreement and may lead to disciplinary action including termination of a resident's right to reside in the Village.

The Rules are intended to benefit all residents. However, the expectations of residents outlined in the Rules should not be seen as an exhaustive list. In becoming a resident of the Village, you become a member of the Village community and accept the responsibilities and obligations associated with being a good neighbour and citizen, whether or not they are detailed in the Rules.

2. Absence from Room

If you expect to be absent from your Room for more than 48 hours, please inform the Resident Assistant(s) via email, and leave an emergency contact number. You do not have to tell the Resident Assistant(s) where you are going, we just want to know how to contact you urgently if we need to, and so we do not worry.

If you are detained away from the Village for any reason, please contact the Village administration office and leave a message if it is unattended.

Should another resident or a Resident Assistant report to Village management that you have not been seen for 48 hours and you have not advised us of your intended absence, Village management reserves the right and has the authority to enter your Room/Apartment to check that you are okay.

If you are reported as being absent from the Village for more than 72 hours, and we have no records of your whereabouts, Village management will report you as a missing person to the police. If you are under 18 years of age we will also contact the person nominated as Guarantor in your Residential Agreement.

3. Aesthetic Appearance

The Village is part of both the University life and the local community. You are required to maintain your Room in a neat and clean state of condition/appearance. If applicable, you must in conjunction with other resident(s) ensure that Apartment Common Areas are maintained to the same standard.

Do not place foil, cardboard or other unsightly material or objects in or on any windows in the Village or alter any window coverings in the Village.

Keep balconies, decks and patios neat and orderly at all times and clear of personal belongings.

Furniture designed for indoor use is not permitted outside (including on any balcony, deck or patio).

If in the opinion of Village management any item adversely affects the appearance of the Village, the resident concerned will be asked to remove it. If you are asked by Village management to remove any item you must do so within the timeframe set by Village management.

4. Alcohol and other Personal Issues

Personal issues, such as academic stress, alcohol abuse, depression and eating disorders may strain relationships in a living situation. It is both a resident's right and a resident's responsibility to seek help when such issues become disruptive. If Village management is concerned about the personal wellbeing/safety of a resident then they are entitled to treat the situation as an emergency and enter a resident's Room without notice.

Studies on alcohol abuse within universities show that there are significant secondary affects for roommates and friends of those who drink excessively. A resident's concern about protecting a roommate's privacy, where excessive drinking is involved or otherwise, should not keep them from getting support personally or for that other person.

If a resident is worried about a friend or if the behaviour of another resident affects the living habits of others, the resident should endeavour to seek help for that other person. Sources of help such as University health & counselling services are listed under "handy phone numbers" at the back of the Resident Handbook.

Village management recognises that alcohol is an established part of life in Australia and New Zealand and is enjoyed by many members of the Village community. Normally, Village management will not attempt to stop drinking at the Village, but will encourage moderation in and a responsible attitude towards the consumption of alcohol. It will aim to create a climate that enables individuals to make a free and informed choice as to the level of their alcohol consumption, in an environment free of social pressures to drink to excess.

Alcoholic drinking games and other activities that promote binge drinking are not permitted at the Village. Drinking games tend to encourage excessive drinking and drunkenness, tend to inhibit all other social interaction and pressure players to drink over their limits. Such activities can quickly make a participant very intoxicated and are dangerous. The host of the party and other participants may be held responsible for any negative consequences of excessive drinking.

Residents are required to comply with any policy, rule or guideline published by the University which relate to the consumption of alcohol and will be in breach of their obligations under the Rules and their Residential Agreement if they fail to do so.

This rule works in conjunction with specific village rules as outlined in the Resident Handbook.

5. Apartment/Room Condition Form

When moving into a Room/Apartment, a resident is expected to

carefully inspect the Room/Apartment. Within 24 hours of moving in any damaged or missing items must be reported to Village management by returning the Room condition form the resident is given on arrival. This form includes a full list of all items that should be in the Room/Apartment. Village management will follow up on all reported problems and take corrective action as appropriate.

If a resident fails to advise Village management of any problem(s) within 24 hours of moving in, the resident will be taken to have been satisfied with the condition of the Room/Apartment and confirmed that the Room/Apartment was in a good and undamaged condition at the Commencement Date. Upon vacating a Room/Apartment, a resident will be charged a reasonable amount as determined by Village management for any missing or damaged items and for damage to the Room/Apartment not reported to Village management within 24 hours of moving into the Room/Apartment.

6. Bikes

Bicycles are to be secured only to the bicycle racks located throughout the Village. Bicycles are not to be secured to other objects such as benches, light posts, trees, handrails or disabled access ramps. They are not to be placed in hallways or allowed to impede a means of access. Bicycles that are secured to anything other than bicycle racks, impede access or in any way present a safety hazard will be confiscated by Village management and an administration fee will be charged for their return.

Bicycles are not permitted inside Rooms or Apartments.

Bicycle storage is not available during the Summer Period once you have vacated your Room.

The Village is not responsible for the security of or any damage sustained to any bicycle which is left in the bicycle racks or anywhere else in the Village. It is strongly recommended that U-bolt locking devices are used for securing bicycles throughout the Village.

7. Candles/Incense

Due to risk to life and property, candles, torches, incense and other open flame devices are strictly prohibited anywhere inside or around buildings in the Village including in Rooms and Apartments. Burning of the above devices is likely to set off the smoke detectors in your Room/Apartment. Residents will be required to pay the cost of the fire brigade attending together with any administration charge imposed by the fire brigade and/or Village management if a false alarm occurs because of a resident's failure to comply with this Rule.

8. Car Parking and Motorbikes

The Village has limited parking spaces available and may not be able to provide parking facilities to residents of the Village.

A resident must have a valid University campus parking sticker (with an appropriate notation) and/or a Village parking sticker to be able to park within the Village.

If the Village has parking facilities, residents may apply to the Village administration office for a Village parking sticker when applying for a University campus parking sticker. Residents must prove that they are a resident of the Village by producing a copy of their Residential Agreement. If Village management grants a resident the right to park within the Village, they will be issued with a Village parking sticker or the University campus parking sticker they will be issued with will have a special notation on it, allowing the resident's vehicle to be parked within the Village. Details of applicable parking fees can be obtained from the Village administration office.

Any vehicles that do not display a current and paid up Village parking

sticker or University campus parking sticker (with an appropriate notation) or which are not parked in the nominated bays provided may be levied with a fine and/or will at Village management's discretion be towed from the Village at the vehicle owner's cost.

Several visitor parking spaces are available within the Village and are clearly displayed as such. Visitor parking spaces must be left clear for visitors. Authority must be sought from the Village administration office to park in a visitor parking space. Visitors who park in non-visitor areas or in a visitor parking space without the appropriate approval from Village management will, at Village management's discretion, be towed from the Village at the vehicle owner's expense.

Where resident parking is available, limited disabled parking spaces are also available and these spaces are strictly for residents with disabilities, who display the appropriate disabled parking permit. Heavy fines may be imposed on vehicles parked in a disabled parking space not displaying such permit and at Village management reserves the right to have such vehicle(s) towed from the Village at the vehicle owner's expense.

The Village is not liable for any damage to and/or theft of any vehicle or property left within the vehicle whilst the vehicle is parked in the Village or resulting from the vehicle being towed from the Village.

9. Carpet Damage

Damage to carpet in a Room will be charged to the resident. Damage to carpet in an Apartment Common Area or in the common area of a Hall will be charged equally between Apartment and Hall residents respectively.

Village management will attempt to have soiled carpet cleaned at the expense of the resident(s) of a Room/Apartment. In the event that a stain cannot be removed, the carpet will be replaced at the expense of the resident(s).

Upon vacating a Room/Apartment all carpet must be in the same condition as it was in on occupation, taking into consideration general wear and tear. The cost of returning the carpet in a Room/Apartment to this condition, including the cost of having the carpet steam cleaned, will be charged to the resident(s).

10. Chalking

"Chalking", a popular means of promoting events in the University, is prohibited in the Village.

Any chalking on Village roads, footpaths, parking areas or buildings will be removed immediately by Village management and the persons responsible for such actions will be charged for the cleaning.

11. Cleaning

Village management will arrange:

- Sweeping, vacuuming and mopping of the external and internal common areas of the Village (e.g. laundry, administration & resource centre etc);
- Maintenance of the Village grounds and gardens;
- For flyers posted in non-designated areas to be taken down;
- For external garbage bins to be regularly emptied; and
- For cleaning external surface of buildings in the Village to be cleaned.

All residents are expected to:

- Clean and vacuum their Room on a regular basis;
- Maintain their Room in a hygienic manner; and

- Clean internal windows and walls in their Room.

Residents who live in Apartments are also expected to:

- Participate equally with other residents in keeping the Apartment Common Areas clean;
- Clean all appliances and surfaces within an Apartment;
- Clean the internal areas of the cook top, range hood, oven and refrigerator equipment; and
- Remove garbage from the Apartment regularly.

Residents must supply their own cleaning materials and equipment in the Village where not otherwise supplied. In some villages, prior arrangements have been made for cleaning provisions.

Residents can arrange for their Room/Apartment to be cleaned professionally on a weekly or monthly basis for a fee. Details of fees associated with these services are available from the Village administration office.

Where it is brought to the attention of Village management that a Room/Apartment is not being cleaned or is unhygienic, the resident(s) of that Room/Apartment will be requested to thoroughly clean the Room/Apartment. If following such notification the Room/Apartment is not promptly cleaned to comply with basic cleanliness and health standards, Village management may arrange for the Room/Apartment to be cleaned at the expense of the Room/Apartment resident(s).

Upon vacating a Room/Apartment it must be left in the same state of cleanliness and repair as it was in on the first day of occupation by the resident considering fair wear and tear and taking into account any notice the resident submitted to Village management in accordance with Rule 5. The cost of cleaning the Room/Apartment to this condition will be charged to the resident(s).

12. Computer, Telephone and TV Facilities

The telephone & computing infrastructure installed throughout the Village is an essential part of the Village and residents must not tamper with or remove any part of it. Damage to the telephone and computing infrastructure caused by resident(s) will be charged to the resident(s) responsible together with an administration fee of a reasonable amount as determined by Village management.

The Village data network is designed to be more than adequate for residents' use unless congestion is caused. Congestion is generally caused when a resident(s) download large files such as movies. Resident(s) who download these types of files and who continue to do so despite a warning from Village management will be disconnected from the network.

Residents must adhere to the following protocols when using the Village data network:

- Only connect to the data port with the recommended cables and connections;
- Do not dismantle the data port;
- When connecting to the network, remember that others are doing likewise;
- Continually downloading large files may slow down the network and affect others and as such should only occur in limited circumstances;
- The network is not to be used for any criminal activity, including port surfing or computer hacking; and
- The network may be monitored by the University's network security services.

Where a free to air television service connection is available resident(s) must not tamper with or remove it.

13. Conduct Issues

Residents and their guests in the Village are to show respect for order, morality, personal honour and rights as members of the Village community.

Residents are responsible for their guests and will be held financially accountable for any breach of the Rules or misconduct by their guests.

14. Cooking

Cooking is only permitted in kitchens in Apartments.

Cooking equipment such as hot plates, rice cookers, electric woks and fry pans are not permitted in Rooms.

Barbeque grills and charcoal fluid may be a fire hazard and are not permitted inside buildings in the Village or outside on balconies, patios or decks.

When using cooking equipment in Apartments, Residents are required to comply with any signage installed in kitchens. Failure to comply with such signage is likely to set off the smoke detectors in your Apartment. Residents will be required to pay the cost of the fire brigade attending together with any administration charge imposed by the fire brigade and/or Village management if a false alarm occurs because of a resident's failure to comply with this Rule.

15. Damage or Loss

Proper care must be taken of all Village property. Removal of any Village property from its designated location will be reported to the police. The person responsible will be charged replacement costs and an administration fee of a reasonable amount as determined by Village management. When responsibility cannot be attributed to a specific person, Village management reserves the right to divide the replacement cost and administration fee between all residents of the Village.

Residents are responsible for all damage to or loss of Village property in their assigned Room and Apartment. If the damaged or lost item was located in a Room then the resident of that Room will be held responsible and charged. If the damaged or lost item was located within an Apartment then all residents who reside in the Apartment will be held responsible and charged an equal share unless responsibility can be attributed to a specific person. In addition, persons deemed responsible by Village management may be subject to disciplinary action.

Residents are also responsible for the conduct of their guests and any misconduct, injury to any person or property damage, which their guests cause.

16. Damages Charges

Recipients of an invoice for damage have 7 calendar days after the date of issue of the invoice by Village management in which to pay or request a review of the invoice. If you have received an invoice for damaged or lost Village property, please take care of it immediately. Any invoice not challenged within 7 calendar days of issue is no longer subject to review.

Standard charges for replacement of damaged furniture and fittings in a Room/Apartment are available from the Village administration office. It is impossible to price all items or maintenance services in the Village, as they are generally dependant on the damage caused. All repair work is carried out on a Do and Charge basis and will be invoiced at a rate equal to the actual charge from the supplier or contractor to the Village plus an administration fee of a reasonable amount as determined by Village management.

17. Decorating Rooms and Apartments

Murals are not permitted to be painted on any surface in the Village.

Most adhesives will remove paint. Please do not fix sticky stars or other adhesive decorations to the ceiling or elsewhere in your Room/Apartment and do not use tape of any nature. The use of nails or screws will damage the walls and the paint. If any holes are left in the walls and require patching you will be charged not only for fixing the holes but also for painting the entire wall.

Notwithstanding posters can be used to decorate Rooms and Apartments, please ensure that they are only affixed to walls using blutak or a similar non-marking re-usable adhesive.

18. Disabled Access

A number of the Rooms, Apartments and buildings within the Village have been fitted with facilities to assist persons with disabilities. Interfering with or blocking these facilities in any way is considered misconduct and will result in disciplinary action which may include termination of a resident's Residential Agreement and their right to reside in the Village.

19. Discipline and Misconduct

Misconduct is an action or series of actions that breach your Residential Agreement, these Rules, any laws or any other generally accepted standard of behaviour. Depending on the nature of a resident's misconduct, Village management is entitled to take the disciplinary action detailed in a resident's Residential Agreement and/or these Rules and reserves the right to refer or disclose any occurrence of misconduct to the University and/or the police if in their absolute discretion they determined that course of action is appropriate.

Disciplinary action includes but is not limited to admonition, probation, termination of a resident's Residential Agreement and the requirement for the resident to leave the Village.

Except in circumstances where Village management do not consider it feasible (at its absolute discretion) for a resident to retain the right to reside in the Village, a warning by email or in writing will describe the unacceptable behaviour, the right of Village management to require the resident to leave the Village and the steps which the resident must take to retain the right to continue to reside in the Village. Should a resident fail to respond in an acceptable manner to an email or written warning and continue to behave in a manner that is detrimental to the well-being of the Village community, the resident may then have their Residential Agreement terminated and be required to leave their Room/Apartment and the Village.

In circumstances of serious misconduct, as determined by Village management at its discretion, Village management is not required to give any prior warning or notice of its intention to terminate a resident's Residential Agreement except if to do so would breach any legislative requirements.

A resident required to leave the Village for disciplinary reasons will not ordinarily have the opportunity to return to their Room/Apartment except via prior arrangement with Village management and then only to collect the resident's possessions and under the supervision of Village staff.

If a resident has had their Residential Agreement terminated and been asked to leave the Village, Village management reserves the right to refuse to accept an application for residency in the Village from that resident in the future for such time as it sees fit.

20. Dishware

Residents are required to provide their own dishware in most villages. If

your Room/Apartment is supplied with pots, pans, crockery and cutlery, it is the responsibility of each resident that the amount of inventory stated at the start of the year is maintained and present upon departure. Any concerns or requests to replace the pots, pans, crockery or cutlery should be submitted to the Village administration office for consideration.

If the Village is a catered facility, dishes and other items must not be removed from the Village or University catering outlets. This equipment belongs to the operator of these facilities and removal of their equipment, dishware and other items constitutes theft and will be prosecuted accordingly.

21. Drugs

The possession, cultivation, usage, or selling of any non-prescribed or illegal drugs and/or the possession of any equipment to aid the use of illegal drugs or substances is prohibited.

Any breach of this Rule, in any form, by a resident is considered serious misconduct and as a consequence Village management reserves the right to immediately terminate a resident's Residential Agreement and also report the incident to the police.

22. Electrical Equipment in Rooms

To prevent overloading electrical circuits and to conserve energy, please limit electrical equipment in Rooms to such items as computers, study lamps, clocks, electric blankets, stereos, coffee makers, personal vanity items and other small appliances. These items must be maintained in good and clean operating condition. Appliances with open heating elements such as hot plates and electric heaters are prohibited in Rooms and Apartments unless provided by Village management.

23. Electrical Safety Reminders

Residents must comply with the following fire and safety policies which are intended to prevent injuries in the Village and to ensure compliance with health and safety regulations:

- Never modify a plug by bending or removing prongs;
- If plug prongs break off and remain in the receptacle slots after insertion or withdrawal, do not attempt to remove them, contact the Village administration office for assistance;
- Extension cords should only be used when absolutely necessary and only on a temporary basis. If you must use an extension cord, we recommend using a multiple outlet power strip equipped with an internal circuit breaker. If you discover any faulty electrical equipment, please report this to the Village administration office;
- Do not "daisy chain" extension cords and/or power strips;
- Large appliances are not permitted in Rooms; and
- Promptly replace frayed or damaged cords.

24. Emergencies

At the back of the Resident Handbook you will find all the numbers to be called in the event of an emergency.

For any life-threatening emergency call '000' (Aus) or '111'(NZ) to summon fire, police and ambulance services.

False alarms waste the time of emergency services and Village management and may result in disciplinary action and the imposition of fines and charges.

You are responsible for familiarising yourself with the location of alarms and fire fighting equipment in your Room/Apartment and in the common areas of the building in which your Room/Apartment is located, and with the emergency procedures for the Village. Fire safety information is posted in all Rooms/Apartments.

25. Evacuation

Evacuation maps are posted in various parts of the Village indicating your location in relation to the nearest exit and steps to take to vacate the premises. You must familiarise yourself with the location of all exits from your Room/Apartment and the building in which your Room/Apartment is situated and attend when required by Village management, fire awareness programs and participate in fire and evacuation drills which take place at the Village. Evacuation maps are part of the fire equipment of the Village and must not be tampered with.

In the event of an evacuation, please report to your building's assigned emergency assembly point for further instruction.

The Village is regularly inspected by the fire brigade for safety and fire code compliance. Residents are required to keep common areas clear of any items which may affect safe egress from buildings. Whenever Village management encounter these obstructions or are informed of their presence, they will proceed to remove the obstructions to ensure fire code compliance.

If Village management is required to remove items left in common areas, residents will be charged, with repeated violations incurring escalating charges.

26. Exit Signs

Exit signs have been located throughout the Village for the personal safety of residents and visitors. Exit signs are not to be tampered with, disconnected or removed. Playing of ball games in Rooms, Apartments and common areas of buildings could potentially damage exit signs and is therefore prohibited. Residents will be charged for any damage caused to signs and where the person responsible for the damage cannot be identified all residents of the Apartment or building will be charged an equal share of the cost of repairing the damage.

27. Fire Alarms

Never assume that a building alarm goes directly to the fire brigade. Always call '000'(Aus) or '111'(NZ) in an emergency situation, or the on-call Resident Assistant if you are unsure what to do when you hear an alarm.

The fire brigade is obligated to respond to any alarm regardless of the cause. Any resident found to have set off a false fire alarm, whether purposefully or because of carelessness as determined by Village management, is responsible for any charges levied by the fire brigade and may be subject to fines and disciplinary action.

Never shower with your bathroom door open or leave the door open as excessive steam can set off a fire alarm. Residents must always use (in accordance with installed signage as applicable) bathroom exhaust fans when showering and kitchen exhaust fans and rangehoods when cooking.

28. Fire Equipment

Fire blankets and/or extinguishers are located in all kitchens. These are to be used for small fires only such as stove top fires where oil has ignited. Used fire blankets/extinguishers must be returned to the Village administration office for immediate replacement.

Fire equipment that is not in working order jeopardises the safety of all residents and as such Village management will regularly be checking all fire equipment including fire extinguishers and hoses, fire alarm boxes, smoke detectors, exit signs and evacuation maps.

It is against the law to tamper with fire equipment including removing or covering exit signs, damaging exit signs, altering the function of door

closers, disabling or covering smoke detectors, discharging fire extinguishers for any purpose other than putting out a fire and doing anything that may compromise the proper functioning of fire equipment. Violators will be subject to substantial fines, possible criminal penalties and disciplinary action which may include termination of a resident's Residential Agreement.

Any fire equipment repair or replacement that results from resident misconduct will be charged to the resident(s) responsible. If the responsible party cannot be determined, the fine and related damage will be charged to all residents of the building or Apartment as the case may be in equal shares.

29. Fix-it Requests & Repairs

The Village has a substantial asset management and maintenance schedule, which is continually being implemented, to ensure that the Village is maintained in an excellent condition.

All maintenance in the Village is carried out by suitably qualified tradesperson who will be identifiable by Village ID cards.

All requests for repairs or replacements in your Room/Apartment can be submitted via a "fix-it request" via the Website or email to the Village administration office. Requests are processed Monday to Friday by the Village administration office. Residents should report any problem which they believe constitutes a safety or security risk to the Village administration office.

Depending on the nature of the problem, Village management do their best to ensure that urgent repairs are dealt with immediately. This may not always be possible due to the availability of contractors and parts required for repairs.

Residents are not permitted to repair or replace electrical, plumbing, heating, security equipment, glass or any other item in the Village nor are they permitted to contract with any third party for such repairs.

The cost of any repair or replacement in the Village which is necessitated because of a deliberate act or the negligence of a resident(s) will be charged to that resident(s).

30. Flyers

Flyers and posters may be posted only after they have been approved by Village management and then only at approved locations or on bulletin boards throughout the Village. Any materials posted anywhere else will be removed and cleaning charges will be charged to the responsible individuals.

31. Furniture

Furniture provided in a Room/Apartment is to remain in that Room/Apartment. It is not to be moved to another Room/Apartment, even on a temporary basis. Furniture is to remain inside Rooms/Apartments unless it has been nominated for outdoor use.

32. Garbage Disposal & Recycling

Residents are responsible for the frequent removal of all garbage from their Rooms and Apartments. Multiple garbage bins are available for you to throw away your rubbish. Residents are responsible for ensuring rubbish is placed in the appropriate garbage and recycling bins.

In the interest of hygiene and aesthetics please do not place garbage adjacent or on top of garbage bins. There are ample bins within the Village to cope with the garbage from all residents. Residents should not leave garbage outside their Rooms or Apartments.

Any resident found not complying with these procedures will be charged at the discretion of Village management.

33. Grounds and Gardens

An extensive landscaping plan has been implemented for the Village and the grounds are maintained by Village management. If you notice areas in need of attention, please let the Village administration office know. Please help in keeping the Village free of litter. Residents must not remove, damage, cut or break any foliage off plants or trees.

34. Hazardous Material

Hazardous materials including automotive or industrial batteries, chemicals, charcoal fluid, propane, fuelled camping lanterns, kerosene, and corrosive materials like acid and explosives, must not be used or stored in or around the Village because of the safety risk to you and other occupants of the Village. If a material is deemed hazardous, Village management may arrange for its removal with the cost of arranging such removal to be charged to the owner of the material.

Do not pour motor oil or any other hazardous material on the ground or down any drain. Motor oil is a hazardous waste material and cannot legally be recycled or discarded at the Village.

35. Hazing/Initiation

Hazing is defined as any mental or physical requirement or obligation placed upon any person or group of persons which could cause discomfort, pain, fright, disgrace, injury or which may be personally degrading or which violates any University policy, Village policy or law.

Hazing in any form is prohibited in the Village. Any resident who is found to be involved in hazing will be reported to the appropriate authorities and will be subject to disciplinary action at the discretion of Village management which may include immediate termination of their Residential Agreement and revocation of their right to remain in the Village.

36. Heating

In the interests of safety, heaters with an exposed element, small fan heaters and bar heaters are prohibited within the Village.

If heaters are not supplied in your Room, residents are only entitled to use enclosed column heaters with the prior consent of Village management.

Please use common sense when using the heaters. Do not leave heaters on when you leave your Room/Apartment. Do not place any items of clothing or any other article over or close to a heater.

37. Indoor Plants

Indoor plants are permitted in Rooms and Apartments, but residents are reminded to be mindful of the needs of co-residents.

Residents must not water plants in the showers or sinks as this can create plumbing problems. All indoor plants must be placed on trays or other receptacles to avoid staining carpets.

38. Inspections and Building Condition Issues

Subject to complying with the notice provisions in Rule 46, Village management reserves the right to enter any Room/Apartment:

- in the case of an emergency (as determined by Village management at its discretion);
- at any time between semesters;
- for the purpose of inspection, maintenance or repair; or

- if requested to do so by a resident.

Residents must not change any lock or place any additional locks on any door to their Room or any other doors within their Apartment.

Inspections of Rooms/Apartments are undertaken to identify maintenance needs, ensure that health, safety and cleanliness standards are being maintained and enable planning for renovation or refurbishment projects. Repeated failure to pass the cleaning inspections will result in charges to residents for professional cleaners to return the Room and/or Apartment to Village standards.

Prior to vacating a Room/Apartment, residents may request a pre-inspection of a Room/Apartment by contacting the Village administration office.

39. Insurance

The Village assumes no responsibility for the personal property of residents and their guests. Residents should maintain insurance protection against loss and damage to or theft of personal property.

40. Keys/Swipe Cards

Residents will be issued with Keys and/or Swipe Cards, which enable access to their Room/Apartment and to Village common areas. If your Room/Apartment is fitted with a Saflok system, instructions on how to understand the Saflok warning signals are located on the inside of the Apartment entry door. It is the resident's responsibility to monitor these light signals and notify Village management if batteries are running low.

Swipe Cards that are lost must be reported to the Village administration office immediately and with appropriate identification, a resident will be issued with a new Swipe Card at a cost. If your Swipe Card is faulty please return it to the Village administration office and it will be replaced at no charge. If your Swipe Card is damaged please return it to the Village administration office and you will be issued with a new Swipe Card at a cost.

Residents are responsible for the keys issued to them. If a key is lost, report it immediately to the Village administration office and another key will be issued at a cost the amount of which will be dependant on whether the lock itself has to be replaced.

Keys may not be duplicated and only Village management or a duly appointed locksmith can alter or repair a lock.

If you have lost your key and/or Swipe Card, locked yourself out of your Room/Apartment or if you have damaged the lock to your Room/Apartment, you will need to verify your identity at the Village administration office prior to the issue of a new key and/or Swipe Card or access being granted to your Room/Apartment.

If you are locked out of your Room/Apartment after hours contact the duty Resident Assistant. The duty RA has a master key with which to open your Apartment/Room door. There will be a charge to open your Apartment/Room door.

Village management strongly recommends that Residents keep their Room door locked when they are not in their Room/Apartment.

Costs of replacing a swipe card and/or a key, lock and lock out charges are outlined in the Resident Handbook.

41. Kitchens

Residents must clean the kitchen appliances in the Village after each use.

If a Resident becomes aware that a kitchen appliance requires maintenance, they should advise Village management via the "fix it request" on the Website or email to the Village administration office.

The cost of repairing or replacing damaged appliances and an administration fee of a reasonable amount as determined by Village management will be charged to the person responsible for the damage or to all residents of an Apartment/building if the person responsible cannot be identified. Faulty appliances will be repaired at no charge.

42. Laundry

For a fee, Residents can make use of the Village laundry facilities. Residents can access the Village laundry facilities 24 hours a day. Residents are expected to provide their own washing supplies and must ensure that they leave the area in a tidy state. Laundry left in washers or dryers must be placed in the laundry baskets located under the folding bench. Any laundry left in the Village laundry facilities which is not claimed within 7 days will be deemed abandoned and will be donated to a local charity.

Items left unsupervised in the Village laundry facilities are left at the resident's risk.

The Village is not responsible for any damage caused to clothes or other items resulting from the use by residents of the Village laundry facilities.

The cost of repairing or replacing damaged laundry appliances and an administration fee of a reasonable amount as determined by Village management will be charged to the person responsible for the damage or to all residents of the Village if the person(s) responsible cannot be identified. Faulty appliances will be repaired at no charge.

43. Lighting

Any light fixture provided by a resident in addition to existing lighting must not exceed 100 watts per fixture.

Residents are not permitted to repair or replace permanent light fixtures in their Room/Apartments under any circumstances.

As a matter of safety we ask residents not to change light globes themselves, but to report blown globes via a "fix-it request" on the Website or email to the Village administration office.

44. Mail and Communications

The primary means of communication within the Village is by email, so it is important that you inform Village management immediately of any changes to your email address.

General notices will also be posted on the Website and around the Village.

Residents wishing to receive standard mail should use the mailing address listed in the Resident Handbook. When parcels are delivered by Australia/NZ Post, they will be kept at the Village administration office and a note will be placed in the resident's mailbox, sorted alphabetically indicating that you have a parcel for collection. Residents are required to acknowledge collection of parcels.

Village management will not sign for any courier or non-Australia/NZ Post deliveries on a resident's behalf, except in exceptional circumstances where a resident has requested and authorised Village management to do so and we have accepted that responsibility. Under no circumstances will the Village be responsible for any item delivered by courier or non-Australia/NZ Post deliveries.

It is a resident's responsibility to regularly check their mail box. Any mail not collected within one month of its delivery may be returned to sender by Village management. Facilities for purchasing stamps and posting letters and parcels are available from the post office located on the University campus.

- Ensuring that your Room/Apartment door closes and locks behind you when you enter or leave your Room/Apartment;
